## About the Orlando Philharmonic Orchestra:

The Orlando Philharmonic's mission is to foster and promote symphonic music through excellence in performance, education and cultural leadership.

Now in its seventeenth season, the Orlando Philharmonic Orchestra is proud to be Central Florida's resident orchestra. As a fully professional ensemble, the Orlando Philharmonic engages the talents of more than 80 professional musicians from around the globe, performing more than 125 concerts each season.

# Event Overview

**I**magine a stunning Florida sunset while sipping your favorite brand of wine, entertained by a **full symphony orchestra**. The temperature is indicative of a luscious spring night. Egrets, turtles and a sparkling, clear spring lake are the backdrop for the 55-piece orchestra and guest artists.

On May 1, 2010, this Central Florida tradition will continue. **Enthusiastic crowds of 2,000 to 2,500 music lovers** with blankets, picnic baskets and candelabras have come each year to enjoy this special evening. **A VIP seating and hospitality area provides exclusive table seating under a canopy of large oak trees**; a full buffet with wine, beer and soft drinks; and front row seating for the concert.

### **Program:**

*Good Vibrations at The Springs* will be conducted by Andrew Lane. The concert is approximately 2 hours in length with one intermission.
